

Your fundraising plan

Planning is everything. The earlier you get started, the easier your fundraising will be. Many supporters find it useful to create a fundraising plan so they have plenty of time to do everything and can track their success. It's also useful if you are organising an event and need to book venues or gain permissions. Please photocopy this if you need to.

I need to raise £	By (date)
-------------------	-----------

Fundraising activity	Date	Aiming to raise	Actually raised	Running total
Example: Set up online fundraising page Email and write to family, friends, colleagues to ask them to sponsor me.	01-Feb	£500	£625	£625
