

JOB OPPORTUNITY – CHIEF EXECUTIVE OFFICER
MIND ABERYSTWYTH

Salary: £30,000 per annum (ACTUAL for PERMANENT ROLE)
30 hours a week (to be worked flexibly)

Mind Aberystwyth is at the next stage of its organisational growth and development and we are looking for a dynamic and creative strategic thinker and leader who, as Chief Executive Officer can take our organisation to the next level.

We are looking for an individual to join our team and share our values and vision:

An infographic with a light blue background and rounded corners, divided into four sections. The top-left section is titled "Our vision" and contains the text: "We won't give up until everyone experiencing a mental health problem gets both support and respect." The bottom-left section is titled "Our mission" and contains the text: "We provide advice and support to empower anyone experiencing a mental health problem. We campaign to improve services, raise awareness and promote understanding." The right side of the infographic is titled "Our values" and lists five values, each in a light blue rounded rectangle: "Open" (We reach out to anyone who needs us), "Together" (We're stronger in partnership), "Responsive" (We listen, we act), "Independent" (We speak out fearlessly), and "Unstoppable" (We never give up).

We are a long established organisation with a strong reputation for delivering an effective and wide range of services in Aberystwyth and across the county of Ceredigion, including Drop-In provision, Housing Support Grant Programme funded community support services, and our exciting range of therapeutic wellbeing activities, peer support and digital inclusion projects.

We are currently shaping our strategic thinking around further developing and expanding our services and reach, taking us forward over the next 3-5 years.

If you think that you have the skills, experience and passion to help us realise our ambitions, we would very much like to hear from you.
